The first thing I noticed
 when I stepped out of the
 car was the cold air.
 It felt like a blanket.
 I had never experienced
 such a change in temperature
 before. The sun was
 shining brightly, but
 the wind was so strong
 that it felt like I was
 being pushed back.
 I took a deep breath
 and felt a sense of
 relief. It was exactly
 what I needed. I had
 been so stressed and
 tired, and this was
 just what I needed to
 feel better. I had
 been so busy with work
 and family, and I had
 forgotten to take care
 of myself. I had
 been so busy that I
 had no time to think
 about anything else.
 I had been so busy that
 I had no time to think
 about anything else.
 I had been so busy that
 I had no time to think
 about anything else.
